

## File Flex Circle C80 Suspension

code FXV22.827/01

### PRODUCT DESCRIPTION

File Flex is a patented products of Lucifero's made of versatile extruded aluminium profile, which can design infinite shapes. Its asymmetrical section is designed to realize unique lighting effects meanwhile ensuring optimal illumination levels. The linear LED source screened by a flexible opal extruded silicone diffuser creates seamless lighting effects. The system allows the use of blind modules, multi-optic from Leva series or adjustable spot from Spot Focus series Ø26 and Ø36

### PRODUCT SPECS

Installation method	Suspension
Light source	Led
Absorbed power	55 W
Color temperature	2700K
Color rendering index CRI	>80
Finishing	White
Luminaire luminous flux	3091 lm
Luminous efficiency	56 lm/W
Power supply/transformer	Not included
Voltage	24 V
Energy efficiency class	D
Weight	4.3 Kg
Dimension	Ø800 mm
IP Grade	IP40
Protection Class	Class III appliance

### CANOPY CONNECTION

code LB420

REGISTERED DESIGN - File Flex is a versatile extruded aluminium profile, which can design infinite shapes. Its asymmetrical section is designed to realize unique lighting effects meanwhile ensuring optimal illumination levels. The linear LED source screened by a flexible opal extruded silicone diffuser creates seamless lighting effects. The system allows the use of blind modules, multi-optic from Leva series or adjustable spot from Spot Focus series Ø26 and Ø36. It has to be completed by stabilized drivers 24V or 48V.
