### PRODUCT SPECS

|                              |                         |
|------------------------------|-------------------------|
| Installation method          | Ceiling surface mounted |
| Light source                 | LED                     |
| Absorbed power               | 70,2 W                  |
| Color temperature            | 4000K                   |
| Color rendering index CRI    | >90                     |
| Optic                        | Narrow 30               |
| Finishing                    | White                   |
| Luminous flux of the product | 10284 lm                |
| Luminous efficiency          | 146 lm/W                |
| Protocol                     | Dimmable Dali           |
| Energy efficiency class      | D                       |
| Dimension                    | L1702 mm                |
| IP Grade                     | IP20                    |
| Power supply                 | 220-240V 50-60Hz        |
