

## Leva 1 Recessed - kit

code LV001K..940S/01

### PRODUCT DESCRIPTION

Integrated LED Chip On Board light fixture. Recessed installation with stop. Luminaire body in extruded painted aluminum white box - black optic. Optical groups complete with LED chip on board, lens, anti-glare housing. Optical 20°. UGR<16. Protection rating IP20.

### PRODUCT SPECS

|                              |                         |
|------------------------------|-------------------------|
| Installation method          | Recessed with frame     |
| Light source                 | LED                     |
| Absorbed power               | 2,2 W                   |
| Color temperature            | 4000K                   |
| Color rendering index CRI    | >90                     |
| Optic                        | Spot 20°                |
| Finishing                    | White box - black optic |
| Luminous flux of the product | 205 lm                  |
| Luminous efficiency          | 93 lm/W                 |
| MacAdam color tolerance      | 2                       |
| Life time estimate           | 50000h Ta 25° L90B10    |
| Energy efficiency class      | E                       |
| Weight                       | 0.02 Kg                 |
| Dimension                    | L30xW27xH60 mm          |
| Hole size                    | 34X36 mm                |
| Power supply/Transformer     | Not included            |
| Protocol                     | See power supply        |
