

## File 2H double emission wall

code F2H18.827PD/01

### PRODUCT DESCRIPTION

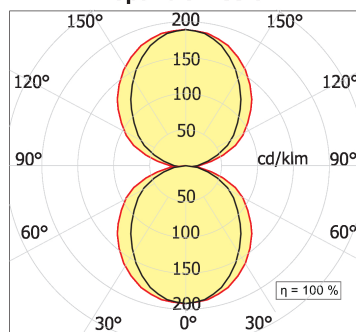

Direct and indirect light with opal diffuser

### PRODUCT SPECS

|                              |                             |
|------------------------------|-----------------------------|
| Installation method          | Wall surface mounted        |
| Light source                 | LED                         |
| Absorbed power               | 2x64 W                      |
| Color temperature            | 2700K                       |
| Color rendering index CRI    | >90                         |
| Optic                        | Opal polycarbonate diffuser |
| Finishing                    | White                       |
| Luminous flux of the product | 8494 lm                     |
| Luminous efficiency          | 66 lm/W                     |
| MacAdam color tolerance      | 3                           |
| Life time estimate           | 50000h Ta 25° L80B10        |
| Protocol                     | Dimmable Dali               |
| Energy efficiency class      | E                           |
| Dimension                    | L2825 mm                    |
