

## Notte system - module Focus 2 luci

code FR041IP.940SD/01

### PRODUCT DESCRIPTION

Night System is a modular system designed to illuminate architecture. Exterior walls both vertical and horizontal, brick, concrete, coats, ceilings and countertops. The system has two profiles 40 mm or 78 mm to which different lighting elements can be integrated: LED linear source, LED reglette and Focus line Spot elements, the anti-glare lines of the LEVA collection offer the possibility of accent lighting. Degree of protection IP66.

### PRODUCT SPECS

|                              |                         |
|------------------------------|-------------------------|
| Installation method          | Ceiling surface mounted |
| Light source                 | LED                     |
| Absorbed power               | 2x8 W                   |
| Color temperature            | 4000K                   |
| Color rendering index CRI    | >90                     |
| Optic                        | Spot                    |
| Finishing                    | White                   |
| Luminous flux of the product | 1350 lm                 |
| Luminous efficiency          | 84 lm/W                 |
| MacAdam color tolerance      | 2                       |
| Life time estimate           | 25000h L90 B10<br>ta25° |
| Protocol                     | Dimmable Dali           |
| Energy efficiency class      | D                       |
| Weight                       | 0.70 Kg                 |
| Dimension                    | L300xW38xH85 Ø36 mm     |
| IP Grade                     | Ip56                    |
| Power supply                 | 220-240V 50-60Hz        |
