

## Notte system - Focus 1 light

code FR040P.927Z/01

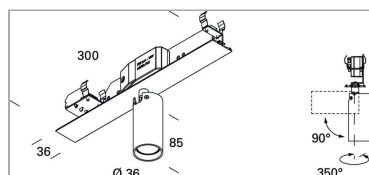

### PRODUCT DESCRIPTION

system outdoor projector / module / item, complete of led  
8 w beam 18°x38°, color rendering index>90. White  
finishing projector / module / item

### PRODUCT SPECS

|                              |                                |
|------------------------------|--------------------------------|
| Installation method          | system                         |
| Light source                 | LED                            |
| Absorbed power               | 8 W                            |
| Color temperature            | 2700K                          |
| Color rendering index CRI    | >90                            |
| Optic                        | Asymmetric 18°x38°             |
| Finishing                    | White                          |
| Luminous flux of the product | 490 lm                         |
| Luminous efficiency          | 61 lm/W                        |
| MacAdam color tolerance      | 2                              |
| Life time estimate           | 2SCDM 50.000h L90 B10<br>ta25° |
| Protocol                     | On/Off                         |
| Energy efficiency class      | D                              |
| Weight                       | 0.47 Kg                        |
| Dimension                    | L300xW38xH85 Ø36 mm            |
| IP Grade                     | IP54                           |
| Power supply                 | 220-240V 50-60Hz               |
