**PRODUCT SPECS**

|                              |                       |
|------------------------------|-----------------------|
| Light source                 | LED                   |
| Absorbed power               | 12,8 W                |
| Color temperature            | 4000K                 |
| Color rendering index CRI    | >90                   |
| Luminous flux of the product | 2044 lm               |
| Luminous efficiency          | 160 lm/W              |
| MacAdam color tolerance      | 3                     |
| Life time estimate           | 50000h Ta 25° L80 B10 |
| Protocol                     | Dimmable Dali         |
| Energy efficiency class      | E                     |
| Dimension                    | L560+180 mm           |
| IP Grade                     | IP56                  |
| Power supply                 | 220-240V 50-60Hz      |
