### PRODUCT DESCRIPTION

Round projector trimless fixed for ceiling

### PRODUCT SPECS

|                              |                                |
|------------------------------|--------------------------------|
| Installation method          | Recessed with frame            |
| Light source                 | LED                            |
| Absorbed power               | 12 W / 18 W                    |
| Color temperature            | 3500K                          |
| Color rendering index CRI    | >90                            |
| Optic                        | Flood 27°                      |
| Finishing                    | White                          |
| Luminous flux of the product | 1285 lm / 2394 lm              |
| Luminous efficiency          | 107 lm/W / 133 lm/W            |
| MacAdam color tolerance      | 2                              |
| Life time estimate           | 2SCDM 50.000h L90 B10<br>ta25° |
| Energy efficiency class      | D                              |
| Dimension                    | H108 Ø79 mm                    |
| Hole size                    | Ø 70 mm                        |
| IP Grade                     | IP20                           |
| Protection Class             | Class III appliance            |
| Power supply/Transformer     | Not included                   |
| Protocol                     | See power supply               |

### WEB PAGE

### ASSEMBLY INSTRUCTIONS

Complies with EN605981 and related notes. In the absence of metric symbols, the measurements are all in millimetres.

Luminous flux and power data are initially subject to tolerances +/- 10%. The values refer to an ambient temperature of 25°C unless otherwise specified.

We reserve the right to make changes to our products at any time.
