

## Iground Fixed 36

code IG001E.940W/20

### PRODUCT DESCRIPTION

Collection of walk-over recessed floor luminaires with integrated Chip On Board LED sources with monochromatic emission, fixed or adjustable optics. The tilting is obtained without having to open the article, thanks to a mechanical movement located on the lamp body. The body, circular in shape, is available in three sizes Ø 65 mm, Ø 84 mm, Ø 132 mm and made of anodized aluminum, with an AISI 316L stainless steel flange, complete with extra-clear tempered safety glass, without visible screws. The fixtures are supplied with 2 meters of neoprene cable. Additional 5m, 10m, 15m or 20m cable is available upon request. Cylindrical outer casings available. IP67.

### PRODUCT SPECS

Installation method	Recessed with frame, Floor
Light source	Led
Absorbed power	6,7 W
Color temperature	4000K
Color rendering index CRI	>90
Optic	Wide 38°
Finishing	Brushed steel
Luminous flux of the product	461 lm
Luminous efficiency	69 lm/W
Protocol	On/Off
Energy efficiency class	D
Weight	0.2 Kg
Dimension	20000Hx55 Ø65 mm
Hole size	round cut   54 mm
Product Spec	Walk-over, Circular shape
