

## Iground Fixed 60

code IG002A.930W/20

### PRODUCT DESCRIPTION

Collection of walk-over recessed floor luminaires with integrated Chip On Board LED sources with monochromatic emission, fixed or adjustable optics. The tilting is obtained without having to open the article, thanks to a mechanical movement located on the lamp body. The body, circular in shape, is available in three sizes Ø 65 mm, Ø 84 mm, Ø 132 mm and made of anodized aluminum, with an AISI 316L stainless steel flange, complete with extra-clear tempered safety glass, without visible screws. The fixtures are supplied with 2 meters of neoprene cable. Additional 5m, 10m, 15m or 20m cable is available up upon request. Cylindrical outer casings available. IP67.

### PRODUCT SPECS

|                              |                                 |
|------------------------------|---------------------------------|
| Installation method          | Floor                           |
| Light source                 | LED                             |
| Absorbed power               | 6,7 W                           |
| Color temperature            | 3000K                           |
| Color rendering index CRI    | >90                             |
| Optic                        | Wide 36°                        |
| Finishing                    | Brushed steel                   |
| Luminous flux of the product | 618 lm                          |
| Luminous efficiency          | 92 lm/W                         |
| Life time estimate           | 3SDCM 50000h L90 B10<br>Ta 25°C |
| Energy efficiency class      | D                               |
