

## Iground Fixed 100

code IG003D.940W/20

### PRODUCT DESCRIPTION

Collection of walk-over recessed floor luminaires with integrated Chip On Board LED sources with monochromatic emission, fixed or adjustable optics. The tilting is obtained without having to open the article, thanks to a mechanical movement located on the lamp body. The body, circular in shape, is available in three sizes Ø 65 mm, Ø 84 mm, Ø 132 mm and made of anodized aluminum, with an AISI 316L stainless steel flange, complete with extra-clear tempered safety glass, without visible screws. The fixtures are supplied with 2 meters of neoprene cable. Additional 5m, 10m, 15m or 20m cable is available upupon request. Cylindrical outer casings available. IP67.

### PRODUCT SPECS

|                              |                            |
|------------------------------|----------------------------|
| Installation method          | Recessed with frame, Floor |
| Light source                 | Led                        |
| Absorbed power               | 12 W / 18 W                |
| Color temperature            | 4000K                      |
| Color rendering index CRI    | >90                        |
| Optic                        | Wide 36°                   |
| Finishing                    | Brushed steel              |
| Luminous flux of the product | 1046 lm / 1738 lm          |
| Luminous efficiency          | 87 lm/W / 97 lm/W          |
| MacAdam color tolerance      | 3                          |
| Durata media stimata         | 50000h Ta 25° L70B10       |
| Protocol                     | On/Off                     |
| Energy efficiency class      | D                          |
| Weight                       | 0.8 Kg                     |
| Dimension                    | 15000Hx85 Ø132 mm          |
| Hole size                    | round cut   108 mm         |
| Product Spec                 | Walk-over, Circular shape  |
| gruppi alimentatori          | 500mA                      |
