

**CONTAINER File strip led roll ST11**

code ST11.40.5

**PRODUCT DESCRIPTION**

System item. High efficiency strip led with biadhesive and support of 8 mm wide on 5 meters roll. To be fed with 24Vdc voltage-stabilized driver. Insulation class III.

**PRODUCT FEATURES**

|                               |                    |
|-------------------------------|--------------------|
| Mounting method               | system             |
| Wattage                       | 11W                |
| Color temperature             | 4000K              |
| Color rendering index         | 80                 |
| Luminous flux                 | 6100 lm            |
| Fitting efficiency            | 555 lm/W           |
| Ballast                       | not included       |
| Protocol                      | see power supplies |
| Energy efficiency class       | A++                |
| Weight                        | 0,18 Kg            |
| Dimension                     | L 5000 mm          |
| Protection degree             | IP20               |
| Adjustable                    | No                 |
| Drive-over                    | No                 |
| Walk-over                     | No                 |
| Circular shape                | No                 |
| Oval shape                    | No                 |
| Soft-rotate & slide mechanism | No                 |
| Square shape                  | No                 |
| Exagonal shape                | No                 |
| Rectangular shape             | No                 |

## **ELECTRONICS**

### **On/Off Ballast**
